DENIAL OF ACCESS TO THE COURTS

TO THE HONORABLE JUDGE

I.

NOW COMES, The plaintiff Ishmael A. Evans files this motion Denial of Access to the Courts.

II.

I arrived here at Mark W. Stiles February 17, 2022, ever since my arrival I've been placed in segregation / Restrictive Housing lockdown 24/7 without any process as to why I am in Restrictive housing. I started my TDC time at Byrd Unit in Huntsville without any disciplinary write ups and my security was never high risk.

III.

I have another case I am facing an trying to prepare for, but, the placement has ⁽¹⁰⁾ put me lockdown and don't have the access I need to prepare for my case. They will ⁽¹⁰⁾ bring you a total of (2) Print out to your cell, but this type of system makes research very hard and time consuming, and some Courts have held that, without additional measures, such systems violates a prisoner's rights to Access the courts. *Trujillo v. Williams*, 465 F.3d 1210 (10th Cir. 2006) *Marage v. Fontenot*, 879 F. Supp. 679 (E.D. Tex. 1995).

IV

If there is no ⁽¹²⁾legitimate reasoning for placing me in Restrictive housing, I should be allowed to be placed in G population. If they don't have the room here, I ask to be moved to another Medical Unit that has room so I am not placed in Restrictive Housing because that is considered false imprisonment with no process as to why your restricted from doing things like everyone else.

V

I should access to the court as any one else and should not be a number on the things we ask from the law library. (Especially when preparing for a case which causes harm to me or any other offender preparing for a court date/Trial. See *Knell v Bensinger*, 489 F.2d 1014, 1017 (7th Cir. 1973) Also see U.S. ex rel. Para Prof. Law Clinic v. Kane, 656 F. Supp. 1099, 1104-1105 (E.D. PA. 1987).

• WHEREFORE, the plaintiff respectfully pray this court enter Judgement in behalf of the plaintiff.
